

Meet Me Halfway

The Moody Blues

Never dreamt I would hope
While I count the miles
Through the wind and the rain
I can see your smile
There ain't no turning back
I can see it in the distance
Got it in my sight

Like a vision, like a face
Coming out of the sky
You were there, not a dream
You were there in my eyes
There ain't no turning back
I can see it in the distance
Touch it through the night
Driving into the light
When I'm on my own
When I'm all alone

Won't you meet me halfway?
Won't you meet me halfway?
Is it a dream?
Is it a dream coming true?
Meet me halfway

Like a vision like a face
Coming out of the sky
You were there, not a dream
You were there in my eyes
There are no words to say
I can see you in the distance
Hear you through the night
Ain't no easy way
When you're on your own
When you're all alone

Won't you meet me halfway?
Won't you meet me halfway?
Is it a dream?
Is it a dream coming true?
Meet me halfway
