My Little Lovely

The Moody Blues

Fairy tales sometimes come true
Use fairy dust and pixie glue
Then all the love will stick to you
My little lovely.

Always believe and never doubt That wizards cast their spells about There's such a lot you won't lose count If you look closely.

Ripples are like dreams
Searching for the shore
Poured together make oceans roar
Night visions make spirits soar
So choose one wisely.

Not all angels can grow wings They seem to soar by other means You can fly although it seems A little slowly.

Fairy tales sometimes come true
Use fairy dust and pixie glue
Then all the love will stick to you
My little lovely.

Ripples are like dreams
Searching for the shore
Poured together make oceans roar
Night visions make spirits soar
My little lovely.
