

Love Don't Help

The Motels

Polly told Sally
And Sally told Sue
There wasn't nothin else in the world
That they can do
They all agreed that there's something
They lack
You know love don't help you win at the track

Love don't help you at the bank
And love don't fill up your gas tank

Love won't getcha outta school
And love sometimes makes you a big ol' fool

Say yeah, ooh yeah, oh yeah, ooh yeah
Love don't help you win at the track

Ooh yeah, oh yeah, ooh yeah, oh yeah
You know love don't help you win at the track
