

Runaway

The National

There's no saving anything
Now we're swallowing the shine of the summer
There's no saving anything
How we swallow the sun

But I won't be no runaway
Cause I won't run
No I won't be no runaway
What makes you think I'm enjoying being led to the flood?

We got another thing coming undone
And its taking us over
We don't bleed when we don't fight
Go ahead, go ahead

Throw your arms in the air tonight
We don't bleed when we don't fight
Go ahead, go ahead
Lose our shirts in the fire tonight

What makes you think I'm enjoying being led to the flood?
We got another thing coming undone

But I won't be no runaway
Cause i wont run
No I won't be no runaway
Cause I won't run

No I won't be no runaway
But what makes you think im enjoying being led to the flood?
We got another thing coming undone
And its taking us over

We don't bleed when we dont fight
Go ahead, go ahead
Throw your arms in the air tonight

We don't bleed when we don't fight
Go ahead, go ahead
Lose our shirts in the fire tonight

What makes you think I'm enjoying being led to the flood?
We got another thing coming undone
We got another thing coming undone
And it's taking forever

I'll go braving everything
With you swallowing the shine of the summer
I'll go braving everything
Through the shine of the sun

But I won't be no runaway
Cause I won't run
No I won't be no runaway
Cause I won't run

No I won't be no runaway

What makes you think im enjoying being led to the flood?
We got another thing coming undone
And its taking us over
We dont bleed and we dont fight

Go ahead, go ahead
Throw your arms in the air tonight
We dont bleed when we dont fight
Go ahead, go ahead
Lose our shirts in the fire tonight

What makes you think I'm enjoying being led to the flood?
We got another thing coming undone
We got another thing coming undone
And its taking us over

And it's taking forever
