

Devil's Advocate

The Neighbourhood

Whoa
One, two, three, four
Whoa
Ha ha
Oh na na, na na
Na na, na na, na

I trade the whip out for a bike
Designer for some Nikes
Switch the stripper for a wife
Black tie for a white T
I've been moving lightspeed, lightspeed, lightspeed, lightspeed
Lightspeed, lightspeed, lightspeed, lightspeed

Look, I don't want to try
Keep it cool like ice tea
So if I seem shy
It's 'cause you seem so shiesty
Sellin' what you buy, buy, buy
Just a product of the 90s
If you close your eyes
That's where you'll find me

I'm the devil's advocate
You don't know the half of it
Good luck tryna manage it
If a god is a dog, and a man is a fraud, then I'm a lost cause

22's on the ride
Bring me back a five piece
Same ticket for the rent, yeah
But I split it with a dime piece
Married to my friends
They don't always like me
I stay together for the kids
I gotta do the right thing

I'm the devil's advocate
You don't know the half of it
Good luck tryna manage it
If a god is a dog, and a man is a fraud, then I'm a lost cause

It ain't right for me
Is it right for you?
If you're missing me
There is one thing to do
