

# Lost in Translation

## The Neighbourhood

I wonder if they see that you don't belong to me  
Wish that you would be mine (Mine)  
Wish that you would be

I've been gettin' lost in translation  
Trouble keepin' up communication  
We were havin' fun, now I can't wait to be done  
Feels like I'm the only one that's sick of playin'

Baby, why you gotta keep me hangin'?  
It's like an apple of temptation, oh yeah  
You let me get a bite, out of sight, out of mind  
Until I found a bruise on the other side

Time (Time), ooh, do it to me one more  
(Do it to me, do it to me, do it to me one more time)

I've been gettin' lost in translation  
Trouble keepin' up communication  
We were havin' fun, now I can't wait to be done  
Feels like I'm the only one that's sick of playin'

Sick (Ooh, I'm)  
Tired of people tellin' me "Be patient"  
Hey, tryin' to light the fire with no flame (No flame)  
Tryna figure out what you're sayin' to me  
I wish I didn't need you to explain (Ooh)

Time (Time), ooh, do it to me one more  
(Do it to me, do it to me, do it to me one more time)  
Time (Time), ooh, do it to me one more
