

Middle of Somewhere

The Neighbourhood

I was on the outside looking in
Now I'm on the inside trying to stay
Out of my head
I need peace of mind

Grew up pretty fast
Good things never last
You gotta live before you learn

Now I'm somewhere far
Away from where I started
With no point of return

But I'm turning

I was on the outside looking in
Now I'm on the inside trying to stay
Out of my head
I need peace of mind

Landed in the middle somewhere
With you
Now you're stranded in the middle somewhere
(Oh yeah)
Too

Always running away
Looking for an escape
Everyone is an alien
When you're trying to find your place

Trying to stay out
Trying to stay out of my head
Trying to stay out
