Streets of Fire

The New Pornographers

Come on, come out of the rain.

You're not oppressed you're just too learned.

I took the book, I looked the page - your sabbatical was burnin q.

Sweet sweet sweet fire in the street, let's sully every s tage. Lick my lips, twist my hips, but Contessa....I already di d.

Some things work but me I choose to lose my skin in the dirt. This whiskey priest he burned the church to keep his girls aliv e.

Sweet sweet sweet fire in the street, let's sully every s tage we meet.

Lick my lips, twist my hips, but Contessa..... already did.
