

## Belle De L'ombre / Walk On

The Notwist

I never thought that you are wrong  
I never thought that you're that strong  
I'll avoid and I'll despise  
To think of you and me

How can I talk to you  
'Cause you'll deface the things  
I shared with you?  
How can I hold you tight  
This hole inside?

Walk on  
Will it always be the same?  
Walk on

Walk on  
Will it always be the same?  
Walk on

How can I talk to you  
'Cause you'll deface the things  
I shared with you?  
How can I hold you tight  
This hole inside?

Walk on  
Will it always be the same?  
Walk on

Walk on  
Will it always be the same?  
Walk on

Walk on  
Walk on

Walk on  
Will it always be the same?  
Walk on
