

Gone Gone Gone

The Notwist

Let us come say goodbye
To all your cousins
'Cause they'll never let you go
This far alone

Let us come say goodbye
To all your cousins
'Cause they'll never let you go
This far alone

Let us all come say hello
To all these others
'Cause they'll never let you go
This far alone

Let us all come say hello
To all these others
'Cause they'll never let you go
This far alone

Gone gone gone gone gone gone
We will never let you go

Gone gone gone gone gone gone
We will never let you go

I will never let you go
