## **Welcome Back**

## The Notwist

We use to see the skies Doesn't matter Because he works

We got the right devices The little crumbs And it hurts

This all'll lead us back to The golden stage This all'll lead us back to

We use to see the skies Doesn't matter Because he works

We got the right devices The little crumbs And it hurts

This all'll lead us back to The golden stage This all'll lead us back to
