

Remember

The Nylons

It seems like the other day
That my baby went away
Went away across the sea

It seems like a year ago
Since I saw my baby go
And then this letter came for me

It said that we were through
You found somebody new
Lemme think, lemme think, what can I do?
Oh no, oh no, oh no, no, no, no, no

Remember, walkin' in the sand
Remember, walkin' hand in hand
Remember, the night was so exciting
Remember, your smile was so inviting

Remember, then you touched my cheek
Remember, with your fingertips
Remember, softly, softly
We'd meet with our lips, yeah

Whatever happened to
The love that we once knew
The love we swore would be true?

Whatever happened to
The life I gave to you?
Ooh, what can I do with it now?

Oh, I can make it on my own
And if you phone, I won't be home
It's not so hard to live alone
Still my house is not a home
Oh no, oh no, oh no, no, no, no, no

Remember, walkin' in the sand
Remember, walkin' hand in hand
Remember, the night was so exciting
Remember, your smile was so inviting

Remember, then you touched my lips
Remember, with your fingertips
Remember, softly, softly
Remember, softly, softly
Remember, remember, remember
Remember, remember, remember
We'd meet with our lips
