

# Don't Give Up

## The Oak Ridge Boys

Don't give up, don't give up  
Don't give up, don't give up.  
You've gotta know that time is on your side.  
Don't give up, don't give up  
Don't give up, no, no.  
When things get thin  
You've got to give in  
Just don't give up.

Now in this world of give and take  
One observation you can make  
It's a long hot road until the day you die  
But you've got plenty on your side  
You just take it all in stride  
Don't let the set backs hang you out to dry.

So you just listen here to me  
One little problem don't make three  
Your obstacles don't need a helping hand  
If you just take one at a time  
You'll make it easier to climb  
And scale that wall into the Promised Land.

Don't give up, don't give up  
Don't give up, don't give up.  
You've gotta know that time is on your side.  
Don't give up, don't give up  
Don't give up, no, no.  
When things get thin  
You've got to give in  
Just don't give up.

Now you may say that I'm a fool  
But I say patience is a tool  
You've got to smell the smoke without fire  
Good civil answers are the game  
You've got no-one but you to blame.  
Remember this when you're down to the wire.

Don't give up, don't give up  
Don't give up, don't give up.  
You've gotta know that time is on your side.  
Don't give up, don't give up  
Don't give up, no, no.  
When things get thin  
You've got to give in  
Just don't give up.

When you see that heavy cloud in front of you  
Back off until you see it where the mountain meets the sky.  
Recharge yourself until you know just what you've got to do  
Then settle down with peddle down and fly.

Don't give up, don't give up  
Don't give up, don't give up.  
You've gotta know that time is on your side.  
Don't give up, don't give up

Don't give up, no, no.  
When things get thin  
You've got to give in  
Just don't give up.

Don't give up, don't give up  
Don't give up, don't give up.  
You've gotta know that time is on your side.  
Don't give up, don't give up  
Don't give up, no, no.  
When things get thin  
You've got to give in  
Just don't give up.

Don't give up, don't give up  
Don't give up, don't give up.  
You've gotta know that time is on your side.  
Don't give up, don't give up  
Don't give up, no, no.  
Don't give up, don't give up, don't give up,  
Don't give up, don't give up, don't give up.
