

# Let Me Be The One

The Oak Ridge Boys

Many's the time I have looked in the water  
And had no reflection to show.  
Oh, and many's the time  
I have stood at the crossroad  
Not knowing which way to go.

Many's the time someone lay close beside me  
And I don't remember her name.  
They'll say that I'm just a smile at a moment  
But that was before you came.

You're the one in a million  
You're the one, you're the one  
You're the one in a million I see  
You're the one in a million  
You're the one, you're the one  
You're the one in a million for me.

Now all of the others were places to go to  
when I had nowhere to sleep.  
Well I never made any promises to them  
None they'd expect me to keep.

You're the one in a million  
You're the one, you're the one  
You're the one in a million I see  
You're the one in a million  
You're the one, you're the one  
You're the one in a million for me.

Well you're the one in a million  
You're the one, you're the one  
You're the one in a million I see  
You're the one in a million  
You're the one, you're the one  
You're the one in a million for me.

Well you're the one in a million  
You're the one, you're the one  
You're the one in a million I see  
You're the one in a million  
You're the one, you're the one  
You're the one in a million for me.
