

## This Is America

The Oak Ridge Boys

The sun comes up and shines like gold across the ocean waves  
A nation blessed with all the best as we begin our day  
We know the price of freedom, we see it every day  
We'll pay the debt, 'cause you can bet, we love the U.S.A.

This is our homeland, this is America  
We won't give up, we won't give in  
'Cause this is America  
We trust in God, 'cause this is America  
Let's take a stand, we love this land

The enemy has hurt us, violence knocked us to the ground  
An emptiness surrounds us, pain of loss is all around  
This threat to our freedom has renewed our will to fight  
Our battle cry is victory, we know we'll do what's right
