

What'll I Do

The Oak Ridge Boys

(Roger Murrah - Skip Ewins)

What'll I do, oh what'll I do if you stop loving me?
How will I live baby, you give me everything I need
I know in my heart, oh, every part of me is loving you
So if you stop loving me what'll I do?

Too many hearts in too much trouble in this world today
They say two cross words to each other and one starts walking a way
I don't want to see you and me ever fall apart
So when times get rough and the road gets rocky I always ask my heart.

What'll I do, oh, what'll I do if you stop loving me?
How will I live baby, you give me everything I need
I know in my heart, oh, every part of me is loving you
So if you stop loving me what'll I do?

--- Instrumental ---

Now a man can have his life together and not be satisfied
But give that man the love of a woman and watch him come alive
I know it's true 'cause without you my world would come undone
So when I stop and count my blessings you're number one.

What'll I do, oh, what'll I do if you stop loving me?
How will I live baby, you give me everything I need
I know in my heart, oh, every part of me is loving you
So if you stop loving me what'll I do?

Oh, what'll I do, oh, what'll I do if you stop loving me?
How will I live baby, you give me everything I need
I know in my heart, oh, every part of me is loving you
So if you stop loving me what'll I do?

What'll I do, oh, what'll I do if you stop loving me?
How will I live baby, you give me everything I need
I know in my heart, oh, every part of me is loving you
So if you stop loving me what'll I do?...
