

# You Made a Rock of a Rolling Stone

The Oak Ridge Boys

Like a stone I was rolling  
Oh the highway was the only way I'd known  
I could go where I wanted  
But I always had to go it all alone  
And having nothing was having a lot  
Until your loving made me wanna stop

You made a rock of a rolling stone  
You made me a man worth leaning on  
You gave my heart a home  
Before I was too far gone  
You made a rock of a rolling stone

As I lay here beside you  
I can finally lay my leaving ways to rest  
At a pace left to turn to  
Now that I have found the place I love the best  
I wouldn't go back even if I could  
Need you so bad I'll be here for good

I had to go all those miles to see  
What was right in front of me
