

Go Away Little Girl

The Osmonds

Go away, little girl
Go away, little girl
I'm not supposed to be alone with you
I know that your lips are sweet
But our lips must never meet
I'm dating somebody else, I must be true

Oh, go away, little girl
(Go away, little girl)
Go away, little girl
(Go away, little girl)

It's hurtin' me more each minute that we delay
(That we delay)
When you're near me like this
You're much too hard to resist
So, go away, little girl
Before I beg you to stay

Oh, go away, little girl
(Go away, little girl)
Go away, little girl
(Oh, go away, little girl)

It's hurts me more, the more that we delay
When you are near me like this
You're much too hard to resist
So, go away, little girl
Let's call it a day, little girl
Please, go away, little girl, before I beg you to stay

(Go away)
Go away, little girl
(Go away)
Go away, little girl
(Go away)

Please go away, little girl
(Go away)
Go away, little girl
(Go away)
Go away, little girl
(Go away)
