

Take You Tonight

The Ozark Mountain Daredevils

no tell yo' mama
no telephone
no tellin' baby when I take you tonight

nobody baby
know where you gone
no tellin' baby where I'll take you tonight
maybe inside of heaven
but if I do
no tellin' baby when I take you
make you
take you
tonight

no tellin' baby
can't tell what's right
no tellin' baby where I'll take you tonight
maybe inside of heaven
under the lights
just like a movie when I take you tonight
can't you just see us runnin'
right out of sight
nobody tellin' when I take you
make you
take you

no tell yo' mama
no telephone
no tellin' baby when I take you tonight

nobody baby
know where you gone
no tellin' baby where I'll take you tonight
maybe inside of heaven
but if I do
no tellin' baby when I take you
make you
take you
