

Motivated

The Parlotones

Dreaming
guess I'm only dreaming
dreaming about believing
fairy tales do exist

Focus,
all I need is focus,
then I will be brilliant,
then I will be number one
Number One

(I am I am)
I am motivated
by the little things that thrill
thrill me, lick me, I don't want to spill
my motivation

(I am I am)
Stronger,
oh I'm getting stronger,
give me new world order,
one day I'll be president

Feelings,
guess I have no feelings,
feelings tempt the demons,
demons make me twisted and bent,
crooked and bent

(I am I am)
I am motivated
by the little things that thrill
thrill me, lick me, I don't want to spill
my motivation
my motivation
my motivation
my motivation

I am I am
I am I am
I am I am
I am I am
I am motivated
by the little things that thrill
thrill me, lick me, I don't want to spill
my motivation
