

# Powerful

The Parlotones

I planted happiness to see how it grows  
I became delirious in its afterglow  
I'm greeted by my weakness, every other day  
I celebrate uniqueness like some big bright bouquet

Inside, I feel power, power, power, powerful  
Inside, I feel power, power, power, powerful

I'll paint my life story, a magnificent Monet  
I'll drown in all its glory, this caramel cabernet  
I'll force myself to smile, it's unequivocal  
Once in a while I'll feel incredible

I, I feel power, power, power, powerful  
I, I feel power, power, power, powerful

Oh, ho ho ho, Oh ho, ho ho  
Holding it together

Oh, ho ho ho, Oh ho, ho ho  
Holding it together

Inside, power, power, power, powerful  
Inside, I feel power, power, power, powerful

Oh, ho ho ho, Oh ho, ho ho  
Holding it together

Oh, ho ho ho, Oh ho, ho ho  
Holding it together

Oh, ho ho ho, Oh ho, ho ho  
Oh, ho ho ho, Oh ho, ho ho
