You can be what you feel; life is a ferris wheel, come take a ride

It's on the inside where you will find it's all in your mind

Listen, listen

You take a friend of mine, he was sad all the time then he got smart

He opened his mind, and it helped him to find it's all in your mind

It's all in your mind, it's all in your mind

Listen, listen

It doesn't matter at all who you are or what you need Just take a look inside, I'm sure you'll find it's there in you r mind

Baby, it's all in your mind, baby, it's all in your mind

Who needs money in a land of milk and honey?
I'll tell you one more time
You'll find it in your mind
Baby, it's all in your mind
Listen, listen

You can be what you feel
Life isn't really real
It's up or down
Get your feet on the ground and maybe
You'll find it's all in your mind

It's all in your mind
