

# One Night Stand

The Partridge Family

Every night - a different town - I sing my song  
I play and sing - pack my things and move along

A pretty face, another place I never get to know  
A one night stand, another show

My guitar - a railroad car - a bus or plane  
Chocolate bar - and there you are - the price of fame

If I could do what I want to, I'd stay and never go  
A one night stand is all I know

I wish that I could be two people  
Instead of bein' on my own  
I wish that I could be two people  
And then I'd never be alone

Photographs of where I've been and all I've done  
In this whole world - is there a girl - no, not one

Goodbye, hello - I've got to go - I hope you understand  
A one night man is all I am  
A one night stand, a one night man.

Doo doo doo...  
Goodbye, hello - I've got to go - I hope you understand  
A one night man is all I am  
A one night stand, a one night man

Doo doo doo...
