

Rock Me Baby

The Partridge Family

You may call me a rollin' stone
I'm a free born man and I stand alone
I come lookin' for a little satisfaction
I don't drive no Cadillac
And all I've got's hangin' on my back
But I do believe in a physical attraction
I can warm your coldest night
I'll make everything all right, if you'll
Ooh...rock me baby, let me feel that beat
I said ooh...rock me baby, right down to my feet
I said ooh...rock me baby, hold me oh so tight
I said ooh...rock me baby, rock me through the night
You better hold me while you can
Or your gonna lose your midnight man
Now come on and rock me
Rock me
Come on and rock me
Come on and shock me
Rock me, I'm rollin
I was twelve when I left home
Ever since I've been o my own
I come looking for a little recreation
Guess I'll never settle down
It's always been just one more town
Why I've loved from coast to coast across the nation
I can't promise I'll be true
But I'll see what I can do, if you'll
Ooh...rock me baby, let me feel that beat
I said ooh...rock me baby, right down to my feet
I said ooh...rock me baby, hold me oh so tight
I said ooh...rock me baby, rock me through the night
You better hold me while you can
Or your gonna lose your midnight man
Now come on and rock me
Rock me
Come on and squeeze me
You sure can tease me
All right now, get down...
