I Don't Need You

The Pierces

He treats me fine but I could be better. You bring the wine and I read your letter. I'm on my own feeling like a liar. I'm almost home but I'm geting tired.

You never could look back. You never would look back. Because I don't need you and you don't need me. I don't need you; you don't need me.

I said goodbye, but I just regret it. Let's make things right, but you'll never let it.

You never could look back. You never would look back. I don't need you and you don't need me. I don't need you; you don't need me.

I don't need you and you don't need me. I don't need you; you don't need me. I don't need you; you don't need me. I don't need you. I don't need you.
