

# Sticks And Stones

The Pierces

hey, domino  
I am stopping you from falling  
one, two, three  
don't you dare go down

hey, waterfall  
oh, can you hear me calling?  
three, two, one  
don't you dare touch the ground

I'm the one you want  
I'm the one you want  
I'm the one you want  
I'm the one you want

sticks and stones will break your bones  
and leave you lying in the mud  
but you get scared when we're alone  
like I might suck your blood

and I could tell you a witch's spell  
but it just might blow your top  
and you start to run just as I'm having fun  
and it's awfully hard to stop  
it's awfully hard to stop

sun in the sky  
I am stopping you from burning  
all we need  
is stars and moon

clock on the wall  
I will keep your hands from turning  
or this night  
will end too soon

I'm the one you want  
I'm the one you want  
I'm the one you want  
I'm the one you want

sticks and stones will break your bones  
and leave you lying in the mud  
but you get scared when we're alone  
like I might suck your blood

and I could tell you a witch's spell  
but it just might blow your top  
and you start to run just as I'm having fun  
and it's awfully hard to stop  
it's awfully hard to stop  
it's just too hard to stop

I call thee, beloved one  
to love me more than anyone  
seven times I pierce my heart  
and now you feel the magic start

bind thy heart and soul to me  
as I do will  
so let it be, oh

hey, loverboy  
oh, now do you believe me?  
that's not all  
that I can do

sit back down  
I'm afraid we won't be leaving  
can't undo  
my spell on you

I'm the one you want (I'm the one you want)  
I'm the one you want (I'm the one you want)  
I'm the one you want (I'm the one you want)  
I'm the one you want (I'm the one you want)

I'm the one you want (I'm the one you want)  
I'm the one you want (I'm the one you want)  
I'm the one you want (I'm the one you want)  
I'm the one you want

sticks and stones will break your bones  
and leave you lying in the mud  
but you get scared when we're alone  
like I might suck your blood

and I could tell you a witch's spell  
but you just might blow your top  
and you start to run just as I'm having fun  
and it's awfully hard to stop

well, sticks and stones will break your bones  
and leave you lying in the mud  
but you get scared when we're alone  
like I might suck your blood

and I could tell you a witch's spell  
but you just might blow your top  
and you start to run just as I'm having fun  
and it's awfully hard to stop  
it's awfully hard to stop  
it's just too hard to stop  
I don't think I can stop
