

# The devil is a lonely night

The Pierces

Found your picture and I remembered all the lovely things we used to do

I could never get enough

I could never get enough

Darkness falls and my heart calls

It's crying out for you, I wonder

Do I ever cross your mind

Could I get you on the line

Baby I know you say that the devil is a lonely night

I can't help myself, I feel the pull and dial your number

Two thousand hearts are breaking, breaking

But you can always take me to the light

I miss you like crazy

Do you miss me?

Sounds so sweet when you talk to me

You say you wanna be my boyfriend

We'll sleep on into light

We'll sleep on into light

Feels so nice that I think twice before I let you go again

I'm coming back around

I'm coming back around

Baby I know you say that the devil is a lonely night

I can't help myself, I feel the pull and dial your number

Two thousand hearts are breaking, breaking

But you can always take me to the light

I miss you like crazy

Do you miss me

Do-o-o

Oh-oh-oh-oh-oh

I think you do-o-o

Oh-oh-oh-oh-oh

Baby I know you say that the devil is a lonely night

I can't help myself, I feel the pull and dial your number

Two thousand hearts are breaking, breaking

But you can always take me to the light

I miss you like crazy

Do you miss me

Do-o-o

Oh-oh-oh-oh-oh

I think you do-o-o

Oh-oh-oh-oh-oh

I think you do-o-o

Oh-oh-oh-oh-oh

I think you do-o-o

Oh-oh-oh-oh-oh
