

Light Up the Sky

The Prodigy

Light up the sky, illuminate
Here come the dance we instigate
(Light up!)

Radiate ten thousand degrees
Radiate ten thousand degrees

(Light up!)
(Radiate!)

Light up the sky, illuminate
Here come the dance we instigate
Light up the sky, illuminate
Here come the dance we instigate
(Light up!)

Radiate ten thousand degrees
Radiate ten thousand degrees

Light up the sky, illuminate
Here come the dance we instigate
Light up the sky, illuminate
Here come the dance we instigate

Light up the sky, illuminate
Here come the dance we instigate
Light up the sky, illuminate
Here come the dance we instigate
(Light up!)

(Radiate!)

Light up the sky, illuminate
Here come the dance we instigate
Light up the sky, illuminate
Here come the dance we instigate
