Omen

The Prodigy

It's an omen It's an omen It's an omen Now the writing's on a wall It won't go away It's an omen You just run out of automation Now the writing's on a wall It won't go away It's an omen It's an omen It's an omen Now the writing's on a wall It won't go away It's an omen You just run out of automation Now, now Now the writing's on a wall It won't go away It's an omen You just run out of automation Now the writing's on a wall It won't go away It's an omen It's an omen It's an omen Now It's an omen Now Now Now

Now
