And you always cheer me up.

But it just don't seem enough.

It's a stupid song, and it's kinda long,

## The Queers

When I lie awake, and I dream all night,
Then I see a girl like you.
And you're always there, and you're my best friend.
And you're into what I do.

You're the girl that the boys want,
That'll make their dreams come true.
When I need a friend, you always
Come through for me.

I'm going psycho, psycho over you.
Well, I'm never down when you hang around,
