Cry

The Raspberries

```
Cry if you feel lonely
And you know you can't make the grade
Now that you realize you should have stayed
And if you feel the way I do
I want you to cry your eyes out
I'm cryin' too

Never thought I'd ever see the day
I'd be happy to set you free
But you made a foo-ool out of me
Now you're crying "baby take me back"
But I never wanted you to leave
But you made a foo-ool out of me
You made a foo-ool out of me
```
