

Dreams Come True

The Raveonettes

Yeah, I'll hold you tight
Yeah, when we spent the night
Yeah, together we feel we can do

Yeah, I'm still charmed by
Yeah, you're in love how it sounds
Yeah, I feel it under my skin

All this time I felt like leaving you
All this time I rebel in dreams come true

Yeah, I'm gonna hear your voice
Yeah, got no time to re-choice
Yeah, I gotta steal like warm some night

All this time I felt like leaving you
All this time I rebel in dreams come true

Yeah, I'm during whip to the sky
Yeah, I'll pick my last goodbye
Yeah, leave your heart when you're at your own
