

Go Girl Go

The Raveonettes

Go Girl Go, faster than her
Remember me and the way we were
Caught by the sun, caught by the law
You had everything, but you still wanted more

Go Girl Go, faster than her
Remember me and the way we were
Caught by the sun, caught by the law
You had everything, but you still wanted more

Go Girl Go, faster than her
Remember me and the way we were
Caught by the sun, caught by the law
You had everything, but you still wanted more
