

Go On and Kiss Me

The Raveonettes

Go on and kiss me
Hold me tight
Come on and squeeze me
Did you ever feel this way?

Tonight I'll kiss you
Hold your close
Tomorrow I'm gone
Did you ever dream this way?

In dreams I'll tell you
How one day
We'll kill your daddy
Forever on a way

Daddy says I'm just a bad seed
Daddy says I'm just a bad seed
Means to her that I'm never me
Means to her that I'm never me
