

# Wanna Dance

**The Raveonettes**

Wanna dance with Rock'n'roll  
Come on and love my dirty soul  
Wanna dance with black tonight  
Come on honey and make it right  
Come on, Come on

Wanna dance with Rock'n'roll  
Come on and kiss my dirty soul  
Wanna dance with cool tonight  
Come on honey lets attack the night  
Come on, Come on, Come on, Come on

Wanna dance with Rock nrroll  
Come on and love my dirty soul  
Wanna dance with black tonight  
Come on honey and make it right  
Come on, Come on, Come on, Come on
