

## Kings of Fife

The Real McKenzies

We fot the kilt to Leven  
The kids up there  
Had multicolored hair  
A bunch of gnarly punks  
They welcomed us with open arms  
We shared together  
Everything we had  
Twasn't much  
So here's to the lasses  
Here's to the lads  
And the good times  
We were so glad to have  
Drinking in the Kingdom of Fife  
They us to KIRKcaldy  
Then to Dundee  
Up the coast to Aberdeen  
Hey what a crazy scene  
We made so many friends up there  
To name them all's impossible for me  
Oh yeah, I was that drunk  
So if you ever get up to Leven  
You better do this just for me  
Have a drink with the Kings of Fife  
Have a drink in the Kingdom of Fife
