

I Only Smile When You're Bleeding

The Red Shore

My love is buried at the bottom of this lake forever.
Your face is haunting I can barely even speak your
name.

Do you remember when you promised me we'd be forever?
A sudden moment I will take with me into the grave, to
the grave.

The memories of what we shared, will be my end.
Will be my death.

These present feelings of regret that I am made to
suffer.
Has driven me into a state of unrelenting grief.
And if the stars were to embrace you on your way to
heaven.
I hope they burn you into ashes just to feel my pain,
feel my pain.

The memories of what we shared, will be my end.
Will be my death sentence
Will be my end, will be my death.

These tears burn my eyes with the sting of, all your
lies.
This blood that you spill is the blood I spill when
you're gone.
I hope when you sleep my face haunts your grave every
night.
And if you survive I will end my life just for
you...just for you.
Just for you.

If what we had means nothing, then cut my throat, then
cut my throat....

I only smile when you're bleeding
I only smile when you're bleeding
I only smile when you're bleeding
I only smile when you're bleeding
I only smile when you're bleeding
I only smile when you're bleeding
Me to death, Me to death!
DEATH!
