

Swingin Party

The Replacements

Bring your own lampshade, somewhere there's a party
Here it's never ending, can't remember when it started
Pass around the lampshade, there'll be plenty enough room in jail

If bein' wrong's a crime I'm serving forever
If bein' strong's your kind then I need help here with this feather
If bein' afraid is a crime we hang side by side
At the swingin' party down the line

On the prairie pavement, losin' proposition
Quittin' school and goin' to work and never goin' fishin'
Water all around, never learned how to swim now

If bein' wrong's a crime I'm serving forever
If bein' strong's your kind then I need help here with this feather
If bein' afraid is a crime we hang side by side
At the swingin' party down the line

Here it's never endin', can't remember when it started
Pass around the lampshade, there'll be plenty enough room in jail

If bein' wrong's a crime I'm serving forever
If bein' strong is what you want then I need help here with this feather
If bein' afraid is a crime we hang side by side
At the swingin' party down the line
