

That's So You

The Rocket Summer

It's a beautiful day,
and now I'll be OK now that you're not away.
Yesterday was a terrible day,
but now that you're here, I'm OK.

Because you don't know how much I - I need you.
Please don't go.
You're so wonderful,
this I swear, this I know.

You, oh you - every single thing you do,
I'm so proud of you.
What you do, when you do the things you do,
they're so you.

So thanks for your help.
You shine so bright.
You are the star that's in my sky.
And I am yours, and you are mine.

Woah you, oh you - every single thing you do,
I'm so proud of you.
What you do, when you do the things you do,
they're so you.

I'm so proud of you.
That's so you.
