

Back Street Girl

The Rolling Stones

I don't want you to be high
I don't want you to be down
Don't want to tell you no lie
Just want you to be around
Please come right up to my ear
You will be able to hear what I say
Don't want you out in my world
Just you be my back street girl

Please don't be part of my life
Please keep yourself to yourself
Please don't you bother my wife
That way you wont get no hell
Don't try to ride on my horse
you're rather common and coarse anyway
Don't want you out in my world
Just you be my backstreet girl

Please don't you call me at home
Please don't come knocking at night
Please never ring on the phone
Your manners are never quite right
Just take the favors I grant
Courtesy and look nonchalant just for me
Don't want you part of my world
Just you be my backstreet girl
