

# Going to a Go-Go

The Rolling Stones

Going to a go go, everybody  
Going to a go go, c'mon now  
Going to a go go, everybody  
Going to a go go, c'mon now

Well there's a brand new place I found  
People coming from miles around  
They come from everywhere  
If you drop in there  
You see everyone in town

Going to a go go, everybody  
Going to a go go, c'mon now  
Don't you wanna go  
And that's alright tell me

Going to a go go, everybody  
Going to a go go

It doesn't matter if you're black  
It doesn't matter if you're white  
Take a dollar fifty  
A six pack of beer  
And we goin' dance all night

Going to a go go, everybody  
Going to a go go, c'mon now  
Don't you wanna go  
And that's alright, tell me

Yeah, don't you wanna go, and that's alright, tell me

Going to a go go, everybody  
Going to a go go

It doesn't matter you come in drag  
It doesn't matter you come in stag  
I'm telling everyone to get down here  
Every taxi that you flag

Is going to a go go, everybody  
Going to a go go  
Don't you wanna go  
And that's alright, tell me, yeah  
That's alright, yeah
