

I Can't Quit You Baby

The Rolling Stones

We-ell, I can't quit you baby
But I'm gonna have to put you down for a while
We-ell, I can't quit you baby
But I'm gonna have to put you down for a while
We-ell you know you messed up my life now baby
You made me mistreat my only child

Yes you know I love you baby
And you know my love for you I'd never hide
Yes you know I'd always love you baby
And my love, my love for you I'd never hide

Yeah you know I'm crazy about you baby, yeah
And you're just my only heart's desire

Yes, I'm so tired now, I'm so tired now baby
I'm so tired I wanna lay down and cry
Yes, I'm so tired, I'm so tired baby
I wanna lay down and cry
Yes, you're my only only lover
You're my only heart's desire
Well, alright

Yes, you hear me moanin', moanin' and groanin'
Yeah, you know, you know it hurts me, hurts me deep down inside
Yes, you hear me moanin' and groanin' baby
Yeah, it hurts me, it hurts me deep down inside
When you hear me howlin' up baby
Yeah, you know you're my only, you're only my heart's desire
