

# I Got the Blues

The Rolling Stones

As I stand by your flame, I get burned once again  
Feelin' low down, I'm blue  
As I sit by the fire of your warm desire  
I've got the blues for you, yeah

Every night you've been away  
I've sat down and I have prayed  
That you're safe in the arms of a guy  
Who will bring you alive, won't drag you down with abuse

In the silk sheet of time, I will find peace of mind  
Love is a bed full of blues

And I've got the blues for you  
And I've got the blues for you  
And I'll bust my brains out for you  
And I'll tear my hair out  
I'm gonna tear my hair out just for you  
If you don't believe what I'm singing  
At three o'clock in the morning, babe  
Well I'm singing my song for you
