

# Poison Ivy

The Rolling Stones

She comes on like a rose  
And everybody knows  
She'll get you in dutch  
You can look but you'd better not touch

Poison ivy, poison ivy  
Well late at night when you're sleeping  
Poison ivy comes a creeping all around

She's pretty as a daisy  
But look out man she's crazy  
She'll really do you in  
If you let her get under your skin

Poison ivy, poison ivy  
Well late at night when you're sleeping  
Poison ivy comes a creeping all around

Measles make you bumpy and mumps'll make you lumpy  
and chicken pox'll make you jump and twitch  
A common cold'll cool you but whooping cough'll fool you  
but poison ivy's gonna make you itch

You're gonna need an ocean  
of calamine lotion  
You'll be scratching like a hound  
the minute you start to mess around

Poison ivy, poison ivy  
Well late at night when you're sleeping  
Poison ivy comes a creeping all around

Measles make you bumpy and mumps'll make you lumpy  
and chicken pox'll make you jump and twitch  
A common cold'll cool you and whooping cough'll fool you  
but poison ivy's gonna make you itch

You're gonna need an ocean  
of calamine lotion  
You'll be scratching like a hound  
the minute you start to mess around

Poison ivy, poison ivy  
Well late at night when you're sleeping  
Poison ivy comes a creeping all around
