

Time Waits for No One

The Rolling Stones

Yes, star crossed in pleasure, the stream flows on by
Yes, as we're sated in leisure, we watch it fly

And time waits for no one, and it won't wait for me
And time waits for no one, and it won't wait for me

Time can tear down a building or destroy a woman's face
Hours are like diamonds, don't let them waste

Time waits for no one, no favours has he
Time waits for no one, and he won't wait for me

Men, they build towers to their passing yes, to their fame ever
lasting
Here he comes chopping and reaping, hear him laugh at their cheating

And time waits for no man, and it won't wait for me
Yes, time waits for no one, and it won't wait for me

Drink in your summer, gather your corn
The dreams of the night time will have vanished by dawn

And time waits for no one, and it won't wait for me
And time waits for no one, and it won't wait for me

No no no, not for me....
