

## Good Girls

The Ronettes

(Good girl)

(Good girl)

A-good girls never kiss goodnight on the first date

(And I'm a good girl)

A-good girls treat the fellas nice and wait

(And I'm a good girl)

A-some time it's hard to do

Especially with a lover boy like you

But a good girl is looking for a good, good boy

(For a good, good boy)

(And I'm a good girl) Like my mama told me

(I'm a good girl) If you wanna hold me

Make me know your love is true

And I will be good to you

A-good girls only give their hearts one time

(And I'm a good girl)

A-good girls always draw the loving line

(And I'm a good girl)

A-their hearts may skip a beat

A-but they never play unless for keeps

'Cause a good girl is looking for a good, good boy

(For a good, good boy)

(And I'm a good girl) Like my mama told me

(I'm a good girl) If you wanna hold me

Make me know your love is true

And I will be good to you

Always be a lady

A mash potato but forget the gravy

'Cause a good girl is looking for a good, good boy

(For a good, good boy)

(And I'm a good girl) Like my mama told me

(I'm a good girl) If you wanna hold me

Make me know your love is true

And I will be good to you

(And I'm a good girl) Like my mama told me

(I'm a good girl) Yeah, yeah, yeah, yeah

Let me know your love is true
