

# I'm Gonna Quit While I'm Ahead

The Ronettes

Quit, quit, quit, I'm gonna quit  
Quit, quit, quit, I'm gonna quit

I've always been  
A lucky lover gal  
I've had more boys, baby, young and old  
Than a railroad train can hold  
But since I've found my way to you  
I've decided what  
To do

I'm gonna quit  
I'm gonna quit  
Settle down for all my life  
To be your ever loving wife  
I'm gonna quit  
While I'm ahead, yeah  
I'm gonna quit  
While I'm ahead

My wheel of fortune  
Has been so good to me  
All those prizes that I won  
Sure have been a lot of fun  
But since I've found my way to you  
I've decided what  
To do

I'm gonna quit  
I'm gonna quit  
Settle down for all my life  
To be your ever loving wife  
I'm gonna quit  
While I'm ahead, yeah  
I'm gonna quit  
While I'm ahead  
I'm gonna quit  
While I'm ahead
