

International Robots

The Saints

there is a great new dance that they do down yonder
c'mon kids it's called doing the robot
if your mother won't do it then your sister she will
even your tv set will do it with a grin
& all the radios will be doin' it too
so c'mon little vibrater do it with you
so c'mon c'mon c'mon
Do the robot
there is a great new dance it's really getting around
here
c'mon kids it's called doing the robot
so grab your vibrater by the hand
mr motor mower really thinks it's grand
all the fridges really think it's cool
so unplug your teachers & burn down your schools
so c'mon c'mon c'mon
Do the robot
