## The Script

All the lies she has seen  
All the meaner side of me  
They took away the profits dream for a profit on the street  
Now she's stronger than you know  
A heart of steel starts to grow

All his life he's been told  
He'll be nothing when he's old  
All the kicks and all the blows  
He will never let it show  
Cause he's stronger than you know  
A heart of steel starts to grow

When you've been fighting for it all your life  
You've been struggling to make things right  
That's how a superhero learns to fly  
Every day, every hour  
Turn the pain into power

When you've fighting for it all your life  
You've been working every day and night  
That's how a superhero learns to fly  
Every day, every hour  
Turn the pain into power

All the hurt, all the lies  
All the tears that they cry  
When the moment tears just right  
They seem fire in their eyes  
Cause he's stronger than you know  
A heart of steel starts to grow

When you've been fighting for it all your life  
You've been struggling to make things right  
That's how a superhero learns to fly  
Every day, every hour  
Turn the pain into power

When you've fighting for it all your life  
You've been working every day and night  
That's how a superhero learns to fly  
Every day, every hour  
Turn the pain into power

Every day, every hour  
Turn the pain into power  
Every day, every hour  
Turn the pain into power

She's got lion in her heart  
A fire in her soul  
He's a got a beast in his belly  
That's so hard to control  
Cause they've taken too much hits  
Taking blow by blow  
Now light them match up like watch them explode
