What Have They Done To The Rain

The Seekers

Just a little rain falling all around The grass lifts its head to the heavenly sound Just a little rain just a little rain What have they done to the rain

Just a little boy standing in the rain The gentle rain that falls for years And the grass is gone the boy disappears The rain keeps falling like helpless tears And what have they done to the rain

Just a little breeze out of the sky The leaves pat their hands as the breeze blows by Just a little breeze with some smoke in its eye What have they done to the rain

Just a little boy standing in the rain The gentle rain that falls for years And the grass is gone the boy disappears The rain keeps falling like helpless tears And what have they done to the rain What have they done to the rain
